

Personal Essay for the Chiropractic Orthopaedics Graduate Studies Program

Applicant: Last Name: _____ First Name: _____

Pg. 1/2

Your personal essay should include your reasons for undertaking graduate work, your ultimate plans, and how you happened to select the Graduate Studies Program in Chiropractic Orthopaedics. Provide details about your preparation, strengths and weaknesses as a student. The committee wants to know those things about you that cannot be expressed quantitatively. Please restrict your essay to the space indicated by the lines on each page. Use a 12-point font size. Please initial this page and sign and date page 2.
